

Godley-Macaulay hunting block

Twizel Area

General information

This area lies north of Lake Tekapo and between the Godley River and Two Thumb Stream. Thar and chamois are found here.

Access

There is a designated car park area on Lilybank Road a few hundred metres east of the Macaulay River. There is 4WD access to the Godley-Macaulay hunting area but vehicles need to cross the Macaulay River. After crossing the Macaulay River, a DOC signpost gives directions for either Godley River access or Macaulay River access.

The Macaulay River route stays in the riverbed and there is 4WD vehicle access up to Macaulay Hut. Please note that 4WD vehicles are not permitted beyond the hut.

The Godley access route leaves the main Lilybank Lodge access road (just before Lilybank Lodge) and goes past the farm sheds to a track next to the deer paddocks. Follow the markers along the edge of the paddocks to the banks of Station Stream. The route then follows the markers to the main Godley riverbed and 4WD track up the valley to Separation Stream. There is walking access from Separation Stream to Godley Hut (New Zealand Alpine Club hut).

Landholders

Not applicable.

Map information

Topographical map 260 series: I35, I36.

Dogs

Dogs are allowed in this block but must be under control. Dogs should be kept on a lead at all times

in riverbed areas and wetlands between the months of August and the end of February, because of nesting birdlife. Dogs are not permitted within Aoraki/Mt Cook National Park.

Hut information

Macaulay Hut - Mackenzie Alpine Trust, 14 bunks. Donation box.

Red Stag Hut - Deer Stalkers Association, 4 bunks, \$3 p/p night fee.

Godley Hut - NZAC, 8 bunks.

Additional information

Hunters are advised to check for current pesticide operations that may be in progress where they intend to hunt. Summaries are published every four months by each Conservancy.

Visit www.doc.govt.nz/pesticide-summaries for current pesticide operations.

Visit www.doc.govt.nz/canterbury-hunting for updates to notices and publications regarding hunting.
